

DIRECTIONS FOR SERVICE DOG TRAINER EVALUATION

This document is created to assist in smoothly navigating through the process of taking the evaluation to be a Certified Service Dog Trainer (CSDT).

Pre-requisites for taking Service Dog Trainer Test (SDTT):

1. Candidate must have been a Professional member of the IACP for not less than 6 months
2. Candidate must be a Certified Dog Trainer (CDT) with the IACP
3. Candidate must have 5 years of Training and placing service dogs

Directions for taking Service Dog Trainer Test (SDTT):

1. Once you determine that you meet #1, #2, and #3, please contact the Service Dog Evaluation Committee via email at SDcmte@canineprofessionals.com and inform them of your intent to be evaluated. Your email will be forward to those individuals who are chosen to receive the emails regarding the service dog test.
2. Submit the completed “Request to take the IACP Service Dog Trainer Evaluation” form and submit the fee of \$75.00 with request.
3. Determine whether you will be videoing via live feed or by proxy (see list of definitions regarding what a proxy is).
4. If utilizing a Proxy, have the Proxy contact the designated person with the evaluation committee to ensure that they understand their role and participation in videoing the evaluation and for directions on how to upload the videos to the appropriate you tube channel or for mailing a DVD..
5. The Evaluation will consist of several Modules. Each module may have several parts to it.
